## CRITICAL AND HISTORICAL ESSAYS

BY

## EDWARD MacDOWELL

Price, $1.50

"The volume represents those of his Columbia lectures to which he had given permanent shape, and which have a unique value, owing to the fact of the point of view from which they were conceived. A tone-poet of rare imaginative gifts, a master of inspirational processes in music, MacDowell, to quote Mr. Baltzell, 'entered into the spirit in which the composers both of the earlier and later periods conceived their works' . . . his lectures have an undeniable value both to musician and student."—*Opera Magazine.*
